

TELEMATIC TRACKING SYSTEM FOR MONITORING COMPLIANCE WITH RESTRAINING ORDERS IMPOSED IN CASES OF SEXUAL AND GENDER-BASED VIOLENCE

Which devices will I wear and which ones will he wear?

- The investigated/accused/convicted person will wear a small and light bracelet together with a smartphone
- The victim will carry other smartphone
- There is a specialized control centre, the COMETA centre, which is attended by specialized people 24 hours a day. It contacts the investigated/accused/convicted person and the victim, attends to the alarms or alerts produced by the system, and communicates with security forces and bodies if necessary

What is its purpose?

The device makes it possible to verify correct compliance by the investigated/accused/convicted person of a female victim of gender-based violence or to a victim of sexual violence imposed by court order

Where can I request it?

- You must have a restraining order in place for sexual or gender-based violence
- Its use must be agreed upon by a judge
- Ask your defence about the possibility of request the measure
- Contact 016, a free and confidential service, if you have any questions about how to access this resource
- On the following website you will find more information about this system: Telematic tracking devices for compliance with restraining orders
